

## **HEALTH CARE RECOMMENDATIONS**

- **Implement Governor Manchin's health care proposals**
  - Establish pilot program to allow eight clinics across the state to charge a monthly payment for doctor visits, preventive care programs and reduced prices on prescriptions
  - Create \$99-a-month health insurance plan for individuals who don't have any health care benefits.
  - Establish West Virginia Health Information Network
- **Eliminate cost-shifting**
- **Enable the creation of buying pools or regional purchasing coalitions**
- **Promote health care options focused more on preventive/diagnostic care, healthy lifestyles and chronic disease management**
- **Provide incentives for workplace wellness programs, participants**
- **Form a broadbased group to develop a long-term strategic plan for health care reform**
- **Encourage greater use of Health Savings Accounts (HSAs)**
- **Allow association health plans to get more coverage options to small businesses**
- **Expand state's existing small business health plan to include sole proprietors**
